

SIMCOE LANDING

EXPERIENCE THE NEW KESWICK

36', 45', 50' & 60' SINGLES FEATURES & FINISHES

GENERAL NOTES

- All references to sizes, measurements, materials, construction styles, trade/brand/industry names or terms may be subject to change or variation within generally accepted industry standards and tolerances. Measurements may be converted from imperial to metric or visa versa and actual product size may vary slightly as a result.
- All references to features and finishes are as per applicable plan or elevation and each item may not be applicable to every home. Locations of features and finishes are as per applicable plan or at the Vendors' sole discretion.
- All features and finishes where Purchasers are given the option to select the style and/or colour shall be from the Vendor's predetermined standard selections.
- Any brand name features and/or finishes may be substituted by other brand name features and finishes provided they are of equal or better quality.

EXTERIOR FINISHES

1. Architecturally controlled streetscape with pleasing exterior colour schemes, styles, materials and elevations.
2. Architectural Shingles (limited lifetime manufacturer's warranty).
3. Maintenance-free aluminum soffits, fascia, eavestrough and downspouts as per elevation.
